Solanco’s Medication Procedure

The district shall inform all parents/guardians, students and staff about the policy and procedures governing the administration of medications. When any medication prescribed for a student is initially brought to school, it shall be the responsibility of the certified school nurse to complete the following:

RULES FOR TAKING MEDICINE IN SCHOOL

1. Written permission from the physician and parent must accompany the medication to be taken.

2. Medication should be in the prescription container that includes the name and written orders from the physician.

3. All medication must be given to the office or nurse.

4. Only the medication needed for the period of time should be brought to school.

5. All controlled substances (such as Vicoden, Percocet, Ritalin, Adderall, Dexedrine, etc.) to be administered at school during school hours will now require a hand written note personally signed by a licensed prescriber (no stamps or fax will be accepted) This note must state that the specified medication may be taken while attending school. Controlled substances should be brought to the health room and picked up from the health room by a responsible adult.
