

HOW MUCH CAN I SAVE?

168 of our employees and their family members are already enjoying the benefits of AblePay!

One our employees has already saved over \$405 on medical bills through this program!

AblePay is a program that can save you up to 13% on your deductible, coinsurance, and in some cases copays, when using participating providers. These providers include Lancaster General Health (LGH) and May Grant Associates in Lancaster County. The program also provides claims advocacy to assist if you ever have questions/concerns on a medical bill.

There is no cost to enroll or utilize the AblePay program and it will provide flexible payment terms for any of your deductible/coinsurance expenses that come through the program.

You can include your spouse (or anyone else) on your account even if they have a different insurance plan than you!

As of 7/1/2020 LGH will no longer collect any member out-of-pocket costs upfront from AblePay members. All patient out-of-pocket costs (including copays) will come through AblePay allowing you to take advantage of the 13% discount and flexible payment terms. 13% savings on copays!

Below is the potential AblePay savings based on SOLANCO School District's current In-Network medical benefits:

SOLANCO School District Health Plan Deductible:

- PPO (\$500 individual / \$1500 family)
- HDHP (\$2000 individual / \$4000 family) *
*Opportunity to stretch District contributions deposited into your HSA!

Potential In Network AblePay savings:

- PPO (\$65 single / \$195)
- HDHP (\$260 single / \$520 family)

Reminder: When using LGH providers you can also save up to 13% on the copays under each of these plans.
