

# A Culture of Dignity and Belonging

Delineated on this site is Solanco’s Dignity Honored initiative, which represents a commitment to continuous improvement of our anti-harassment/anti-discrimination efforts.

This website is designed to provide parents and community members with an overview of Solanco’s efforts in this area both historically and currently. In addition, this site shows how the multiple programs and initiatives implemented at each school level contribute to a supportive and caring school district environment.
