

BART-COLERAIN ELEMENTARY

JUNE 2021

Dear Bart Colerain Family,

Here we are in June already! As I reflect back on this year I bubble over with pride. Our learners have come so far! Their growth and maturity is truly amazing to witness. This year especially it is sweet to reflect on their accomplishments.

I want to thank a few groups of dedicated people this month.

Teachers- first and foremost thank you to our teachers for their dedication and hard work! It goes without saying (but I'll say it anyway) without you none of the great things that happened this year would have been possible!

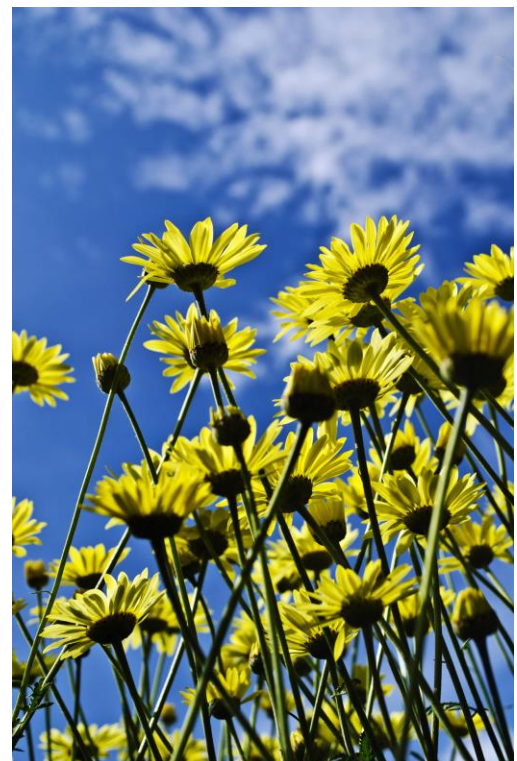

Support Staff- from the cafeteria workers, bus drivers, janitorial staff, secretary and nursing staff: Thank you for being the steadfast group that you are! You are the essential workers in our school and we are forever grateful for all you do!

Our Families- Your patience and support this year was incredible! I was amazed at the out pouring of supplies, donations, and kind words of encouragement from all of you! It truly takes the trust and dedication of the entire community for us to be successful. I'm humbled by your support.

And finally.... The Learners- They absolutely amazed me! Each one far exceeded my expectations. I can't wait to see what next year holds for them!

Have a relaxing and wonderful summer!

Mrs. Parrish

Don't forget to fill in our Title 1 Survey!

The Title 1 program is a district wide elementary program that offers support to all learners in all four elementary schools. It is vital that we obtain feedback from all stakeholders regarding the areas that the program is designed to improve. The basic areas of Title 1 school wide programs are as follows: reading, mathematics, family engagement & communication, and kindergarten transitions. We appreciate your honest and constructive responses as it informs our future school wide plans.

Thank you,
The Elementary Administration
