Re: Workers' Compensation Provider Panel

This notice is to inform you that Solanco School District employs the attached Workers' Compensation provider panel. The panel lists providers authorized to provide treatment in the event of an occupational injury or disease incurred by a district employee. We believe this effort provides an improved treatment process as well as improved communication with our staff when confronted with a workplace injury.

If you have any questions, please feel free to contact the Business Office.

If this situation should arise let your employer and your PMA Claims Representative know within 5 days of the first visit.

All physicians and other health care providers must file reports within 10 days after your first visit and at least once a month for as long as treatment continues in order for payment to be considered. If one of the listed providers recommends invasive surgery, you are entitled to a second opinion from a physician of your choice. Should your physician's opinion differ, and you choose that opinion, the panel physician will abide by same for 90 days.

Any person knowingly and with intent to defraud any insurance company or other person files an application for insurance or statement of claim containing any materially false information or conceals for the purpose of misleading, information concerning any fact materials thereto commits a fraudulent insurance act, which is a crime and subjects such person to criminal and civil penalties.
