SOLANCO SCHOOL DISTRICT STUDENT 1:1 INSURANCE PROGRAM

Program Summary

The technology devices provided to students in the Solanco SD are costly and require proper handling. Students are asked to follow all guidelines and use caution when handling equipment. However, accidents happen and repairs can be costly. Solanco SD is offering a low cost Accidental Damage Insurance to its families. Insurance is recommended but not mandatory. **If you choose not to purchase insurance and the device is damaged, the parent/guardian is financially responsible for all repair or replacement costs.** Insurance may be purchased anytime during the school year and is valid from the first day of school through the last day of summer break.
