# Responsibilities

We value your role in working to help your child achieve high academic standards. The following is an outline of some of the ways you and school staff can build and maintain a partnership to share the responsibility for supporting your child's learning.

## **School Responsibilities**

We as the school will:

- Provide high quality curriculum and learning materials.
- Provide you with assistance in understanding academic achievement standards and assessments and how to monitor your child's progress.
- Provide opportunities for ongoing communication between you and teachers through, at a minimum:
  1. Annual parent-teacher conferences or as requested
  2. Frequent reports regarding your child's progress
  3. Opportunities to volunteer in class, and observe classroom activities.
  4. The ability to access the district's parent portal.

## **Parent Responsibilities**

We as the parents will:

- Encourage your child to attend school regularly.
- Encourage your child to show positive school behavior.
- Review your child's homework.
- Monitor electronic usage at home and encourage positive use of your child's extra-curricular time.
- Volunteer in your child's school and classroom if time or schedule permits.
- Attend parent-teacher conferences, other school related activities, and participate, when appropriate, in decisions relating to the education of your child.
- Review school communications and respond when needed.

## **Student Responsibilities**

- Come to school every day and on time.
- Become a better reader by practicing at home.
- Follow school and classroom rules by showing respect, responsibility, courage, and kindness.
- Complete my class work and homework.
- Come to class prepared: books, pencil, & plenty of sleep.

Thank you for taking the time to read the compact and review the expectations with your child.
