Celebrations at Bart

What a great week connecting with our community! Teachers worked hard to make families feel welcome and confident that their children are in a supportive environment! Let's tackle this full week and then we get a nice rewarding break soon!

Our November

**Student of the Month:
Ryder Gregory**

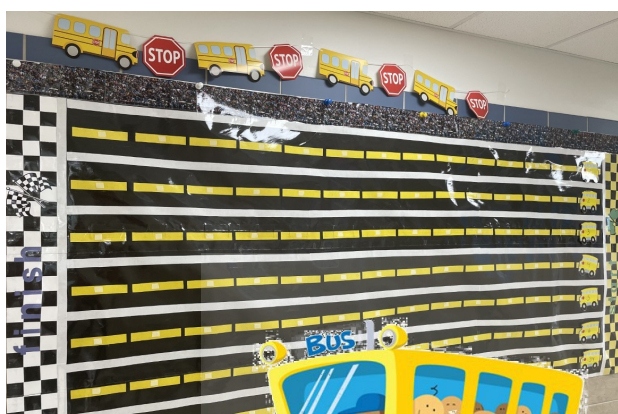

Great job Ryder!
Thank you to Mrs. Sipe for attending the Board meeting and presenting Ryder and his family.

Bus Challenge is BACK!

You may have noticed the track is up in the center of the building. During morning meeting this week please let learners know that it will be starting soon!

"Be your best on the bus!"

Community Spotlight:

The Razgaitis Family

A very special thanks to Mr. Darius Razgaitis and his family for all their work with setting up, running and cleaning up from the Book Fair. This took many hours and it was one of the most successful fairs in many years! Thank you for supporting our School!

PTO Updates:

Our next PTO fundraiser is Emma's popcorn! There are flyers being sent home with each learner this week. Feel free to order some for yourself as well! The PTO makes a profit back on every item sold. They make a great gift too!

We had an EXTREMELY successful Book fair this year... over \$4,700 in sales! That's the highest total in several years! Thank you to everyone who purchased books for supporting our PTO.

Big THANK YOU to our PTO for providing out dinner last Thursday night! A special thanks to the Denver Family for all their work with set up and clean up!

Door Decorating Contest is back!

I want to give you lots of time to start planning for the door contest. This year we are going to have a "Winter Holidays Around the World" Feel free to choose whatever country or area of the world you would want to. Winners will be announced on December 23rd.

Happy decorating!
