

SOLANCO TENNIS

Summer Camp 2026

Who: Boys and girls entering 1st-9th grades in the fall of 2026 interested in learning more about the sport of tennis in a fun and engaging way and/or strengthening their tennis game.

What: A tennis camp focused on introducing and strengthening tennis fundamentals while having fun and building character through experiences on the court. New players will be introduced to the fundamentals of tennis through play-based activities and games and will be developing their basic tennis strokes. Returning tennis players will continue to develop the basic tennis skills and proper techniques. Players who have developed an overall game will focus on match play along with strengthening their basic tennis skills.

Camp will have a slightly different format, with 6 sessions being offered on Tuesdays in June and July, and there is a NEW separate option for those entering 4th-9th grade; you can sign up for Coached Match Play on select Thursdays in July where the focus will be on playing tennis matches. Prior tennis camp/clinic experience is encouraged for match play sessions.
