

Athletic Registration We have simplified the registration process, and all waivers are now signed digitally! Please be sure to follow these steps to complete your registration and ensure that your student is registered for athletic participation:

Step 1: Create an Online Account (click the link)

Solanco uses **Arbiter** for athletic registration. Parents/guardians must create an account using a valid email address. Once created, you will use the same account each year.

Step 2: Complete Online Registration (click the link)

Log in, add your student, choose the sport(s), and complete all required electronic signatures.

Step 3: Physical Form Requirements

A PIAA physical (Section 6) is required once per school year.

- Physicals must be dated **on/after May 1** to be valid for the upcoming school year.
- A new physical is NOT required for each sport during the same school year.

Recertification (Section 7) (Choose appropriate link)

If a student plays a second/third sport during the same school year, they must complete a recertification (Section 7) instead of a new physical.

Recertification can only be submitted/completed within 6 weeks of the start of the next sport season.
