

2026-2027 STUDENT ACCIDENT INSURANCE INFORMATION

SOLANCO SCHOOL DISTRICT - VOLUNTARY STUDENT ACCIDENT COVERAGE

If you have insurance with co-pays and/or deductibles, or if you do not have insurance for Student Medical/Accident coverage, please read this message.

Dear Parents and Students,

The Solanco School District does not carry medical/accident insurance coverage for students. If your child is injured while participating in school district athletic or extra-curricular activities, your family medical insurance plan may be responsible for payment of the medical costs. Limited insurance coverage may be available for students participating in football and other interscholastic sports activities.

The school district does provide parents with the opportunity to select an affordable, low-cost, primary excess group insurance plan for students. Student accident insurance can help you eliminate the possibility of out-of-pocket expenses. Many group insurance policies no longer pay full hospital and medical expenses and may require you to pay a large deductible or co-insurance payment.

The Solanco School District works hard to provide a safe and secure environment for all students both in and outside of our buildings. We strive to regularly address safety issues and concerns as thousands of students come and go each day. By any measure, we do a good job. Unfortunately, accidents happen, and when they do, we do the best we can to address the student's needs and medical care promptly. In so doing, that care often involves a quick trip to the doctor's office, ER observation, or even an x-ray. Medical costs may be significant and occur when least affordable.

You can take advantage of the protection offered by the voluntary school insurance plans by selecting the plan(s) and premiums detailed below (see brochure on the district web site) that best fits your needs:

A. Year Round 24-Hour Coverage - \$90.00 per year

B. Schooltime Only Coverage - \$22.50 per year

A complete description of the plans and enrollment form are available on the district web site, [Voluntary Student Accident Insurance Plan and Enrollment Form](#). You must fill out a paper (hard copy) application and mail it with a check payable to '**UNITED STATES FIRE INSURANCE COMPANY c/o A-G ADMINISTRATORS, LLC.**'. The brochure, enrollment form, claim forms, and additional information may be accessed from the school district's website. If you do not have access to the internet and have an interest in the program, please contact your local school office and they will be glad to assist. If you have any questions, please contact the School District Business Office at (717)786-8401.

Sincerely,

Sandra Tucker
Chief Financial and Operations Officer
Solanco School District
